

RSETI

- RSETI (Rural Self Employment Training Institutes) are managed by Banks with co-operation from Govt of India & State Govt. Each District has a RSETI
- They impart skill training & skill up gradation courses to rural BPL youth, free of cost.
- The courses are of short term (1 to 6 weeks)
- Courses include programmes in dairy, poultry, apiculture, horticulture, sericulture, mushroom cultivation, floriculture, Fisheries, Dress designing, Rexene articles, incense sticks manufacturing, football making, bag, bakery products, leaf cup making, recycled paper manufacturing, Two wheeler repairs, radio/TV repairs, motor rewinding, electrical transformer repairs, irrigation pump-set repairs, tractor & power tiller repairs, cell phone repairs, beautician course, photography, videography, screen printing, domestic electrical appliances repair, computer hardware & DTP etc.
- The availability of the above courses could vary with the location of RSETI
- Certificates issued by an RSETI will be recognised by all banks for purposes of extending credit to the trainees.
- Interested persons may contact the RSETI of your District .
